

Well the day has come
And it's time to graduate
The NME blocks are the last thing that we'll see

No I won't be afraid, no I won't be afraid
Just as long as my friends stand by me.

**So come on, come on, cel-e-brate
the good times we've had
Bliss Carmen... is waiting.... for us.**

2. We've been dreaming of this day
And we'll make new friends on the way
The roads we took have led us to this day

Our friendships will never tumble, nor.... shall they crumble
Just as long as my friends stand by me.

**So come on, come on, celebrate the good times we've had
Bliss Carmen is waiting for us.**

3. We love all the people here and we're sad to leave
But our teacher have prepared us well

Oh yes...we'll be brave, I'm sure we'll be brave
Just as long as my friends stand by me

**So come on, come on, celebrate the good times we've had
Bliss Carmen is waiting for us.**

4. As we make, new friends, we will never forget this group
For we spent so many years together

I won't cry, I won't cry, no I won't shed a tear
Just as long as my friends stand by me.

**So come on, come on, celebrate the good times we've had
Bliss Carmen is waiting for us.**

Lyrics to Stand By Me :

(Ben E. King/Jerry Leiber/Mike Stoller)

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now stand by me
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by me
Stand by me, stand by me, stand by me-e, yeah

[Guitar]

Whenever you're in trouble won't you stand by me, oh now now stand by me
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me-e, stand by me
Oh stand by me, stand by me, stand by me
